UCG WOMEN'S ENRICHMENT WEEKEND

OUR JOURNEY...

Our Journey is a weekend emphasizing women's efforts in the family, church and society. Our speakers will speak to the beauty—and the blemishes—of their experiences in their journeys toward excellence. Baby steps, forks in the road, detours, paved and unpaved roads, construction—all part of the journey.

True, we all have limitations and there are differences among us. By working with what we have, defining our decisions, thoughts, and actions by God's quality standards, we are all capable of sculpting a masterpiece. Sometimes a minor offering has a major impact.

Grab the suitcase of your life's experience. Journey with us as we share ways to build rich lives marked with moral depth, service, and humility. We all can be intimidated by the Proverbs 31 woman, but realizing she is the work of a lifetime makes her less intimidating.

WOMEN MAKING A DIFFERENCE

In Matthew 25:35-36, Jesus gave us some specifics of service. "I was hungry and you fed me, I was thirsty and you gave me a drink, I was homeless and you gave me a room, I was shivering and you gave me clothes, I was sick and you stopped to visit, I was in prison and you came to me." We'll be exploring alongside a mother and outreach coordinator as to how we as women can, and do, make a difference in our church and community.

GIRLS' NIGHT OUT

Saturday night will be an evening to bond with our sisters. We plan to have several break-out sessions where you can relax and enjoy the evening with a little pampering or exposure to something you have always wanted to try. Perhaps you'd like to take a Zumba class? Or learn how to do your own nail art? We will also have a card-making class, chair massages, a watercolor painting class, a free photo booth with props, and much more! A stress-free evening with new friends and old; a night out with the girls!

COMMUNITY OUTREACH

We've adopted CHOICES as our community outreach project. CHOICES' mission is to interrupt the cycle of domestic violence by responding to victims in need, educating our community and advocating for social change. CHOICES currently houses traumatized adults and children nightly, providing a safe and secure place to sleep, a place to keep themselves clean, and access to food. They help the victims obtain resources for themselves and their children.

If you would like to join our mission to help survivors, please consider donating an item. A collection box for donations will be available throughout the weekend.
