Join the women of Columbia, MD, Delmarva, Philadelphia, PA, and Richmond, VA to develop strong bonds of friendship and actively help one another grow to a greater spiritual maturity.

Come join us for this exciting weekend and take advantage of the opportunity to relax, encourage one another, renew old friendships, make new friends and learn how to answer these questions.

*What is a gentle and quiet spirit and how do we develop one?
How should we as Christian women adorn ourselves?*

The Pearlstone Retreat Center is an environmentally-friendly conference and retreat center nestled in the beautiful Maryland countryside just outside of Baltimore.

Becoming Holy Women of God

We read that a woman's beauty should be "...the inner disposition of the heart, consisting in the imperishable quality of a gentle and quiet spirit, which God values greatly." (1 Peter 3:4 ISV) Verse 5 continues with "After all, this is how holy women who set their hope on God used to make themselves beautiful in the past..." Who are these "holy women?" What did they do that qualified them for "holy" status? What can we learn from their lives and how can we have a gentle and quiet spirit of submission that God values?
