Local Service Project

La Conner Sunrise Food Bank has its roots as a home-based food bank, started by Kevin Sunrise in 2005. It currently distributes food each week to at least 90 families - both in-house and to homes.

They order and receive food weekly from major state-wide food collection organizations like Northwest Harvest and Food Lifeline. They also receive donations of seasonal produce from local farms, such as Hedlin Farms. Another source is weekly donations of extra produce from local grocers such as Haggen.

This year, they are most in need of canned items as opposed to boxed goods. Canned soups and canned fruits are always in high demand. Well over 1,000 people a month benefit from their services. In Winter, they expect the number of people in need to dramatically increase. Thank you for caring!

~Nourish to Flourish~ Rooted in God's Word

Colossians 2:7

rooted and built up in Him and established in the faith, as you have been taught, abounding in it with thanksgiving.

A tree has many branches, each limb telling a unique story of challenge and continual growth. Yet from these branches, together spring forth a canopy of life.

With intent to nourish, our Father, the perfect Husbandman, has grafted each of us into the body of Christ. As we stay rooted in God's Word, we are fed the vital nutrients of His truth that causes us to flourish.

Come join us as we explore and celebrate being rooted in God's way of life.
