Service Project

La Conner Sunrise Food Bank had its roots as a home-based food bank started by Kevin Sunrise in 2005. It currently distributes food each week to at least 90 families - both in-house and to homes.

They order and receive food weekly from major state-wide food collection organizations - Northwest Harvest and Food Lifeline. They also receive donations of seasonal-produce from local farms, such as Hedlin Farms. Another source is weekly donation of extra produce from local grocers such as Haggen.

This year, they are most in need of canned items as opposed to boxed goods. Canned soups, and canned fruits are always in high demand. Well over 1,000 people a month benefit from their services. As Winter comes they expect the numbers to dramatically increase.

This weekend we will explore the many facets of the impactful narrative of Esther, as she learns to offer herself as a living sacrifice to God for her people.

The story of Esther challenges each of us to ask the question; have I been called "for such a time as this"?
